

Facials

Classic Line Hydrating Facial 1hr £40

A luxurious treatment adaptable for different skin types. These products offer the skin nourishment and moisture as well as oxygenation and regeneration via mask, ampoules and gentle massage.

So Delicate Facial 1hr £48

Offers the most suitable action for caring for skin that is easily irritated. Products, including the enzyme based peel, "Deeping", have calming, decongestive, anti-inflammatory and soothing properties, offering effective protection against external irritation.

Pure T Skin Facial - Oily 1hr 30mins £58

Highly effective treatment for re-balancing oily skin. Incorporating an enzyme based peel, "Deeping", which will renew your skin in the gentlest way. Visual improvement will be seen after the first treatment, though a course is recommended.

Pure T Skin Facial - Acne 1hr 30mins £58

Treatment suitable for extremely sensitive skin prone to spots and acne. "EpicuttinTT" has been added for its anti-inflammatory and anti-bacterial qualities with the enzyme-based peel, "Deeping", which produces visual results after one treatment. Course recommended.

Royal Jelly Facial 1hr £52

Ideal for skin showing signs of tiredness, caused by stress, dark lines or premature wrinkles. The oxygenating energy of Royal Jelly, with its nutritive and firming properties, eliminates the signs of fatigue, returning the skin to a refreshed, radiant appearance.

Excel O₂ 1hr 30mins £68

An anti-ageing treatment for ages 25 years up, for skin damaged by the passage of time. The skin's natural defence mechanism is stimulated by the "intelligent" Cytokine action, allowing it to renew and recover its health. Includes a relaxing full scalp and facial lymphatic massage.

Hydrasoin Facial 1hr 30mins £72

Hydration with all the freshness of the ocean, for all ages. Can be used any time of the year, but particularly before and after periods of exposure to the sun. The skin acquires a lasting, healthy, firm and moisturised appearance.

Time Expert White 1hr 30mins £78

Time Expert White offers a complete and powerful anti-ageing treatment, capable of preventing the appearance of dark spots and regulating and correcting pigmentation, using the latest 'Melanolight Process' technology.

Time Expert Lift 1hr 30mins £75

The only true "Lifting" facial treatment on the market. Restores the skin's firmness, smoothness and cohesion, remodeling every facial area. Applied by means of an Exclusive Working Methodology and electro-aesthetic equipment, which makes the sculpting, firming and modeling products work at their optimum. Course recommended.

Time Expert 1hr 30mins £78

Inspired by the latest advances in plastic surgery to eliminate expression lines and wrinkles naturally. An exclusive combination of Hexapeptides and Pentapeptides with specific anti-wrinkle effect which provides collagen micro fragments that fill in the wrinkles.

Time Expert Eye Contour Treatment 30mins £45

An excellent eye treatment for lines and wrinkles which relaxes the micro-tensions produced in the eye contour and between the eyebrows, helping diminish bluish bags under the eyes and improving moisture levels in this delicate area.

Strategist Refine Facial 1hr £58

A Micro-dermabrasion facial with no aggression, which gently polishes the skin. The treatment visibly minimises skin irregularities. Large pores are minimised, dark spots, lines and wrinkles are reduced and erased. The skin texture recovers a spectacular smoothness and luminosity.

Oxygen Facial 1hr + 15mins £65

Delivers Oxygen in moisturising vapour form, straight into the skin until it is fully saturated. The results are an instantly visible reduction and softening in fine lines and wrinkles. This is followed by 15mins inhalation Oxygen which gives the body energy.

Home Care products available for all Facials

*Vaporised Oxygen can be added to any facial for £10
